This lovely home has been much improved since being bought new in 1999. There is a stylishly fitted kitchen, modern en suite and bathroom. It has a lovely feel and potential buyers will be delighted with its move in condition. It occupies an appealing position within the village and on this small cul-de-sac development with allotments over the road in front of it. The block-paved driveway provides good parking provision in addition to the single garage and the driveway leads past the garage. Beyond this point there is a gate to allow access down the side of the property that may be ideal for storage of longer vehicles such as caravans, campervans or boats. The accommodation in brief comprises: an Entrance Hall, WC/Cloaks, Living Room, attractively fitted Dining Kitchen with a range of integral appliances, Utility Room and Garden Room. To the first floor there is a spacious Master Bedroom with fitted wardrobes and an attractive en suite Shower Room, three further Double Bedrooms (2 with fitted wardrobes) and a House Bathroom. A really lovely property in this well thought of village that offers a good range of local amenities. Early viewing is essential but we do have a 360 degree tour available which will provide an excellent insight in the first instance.

AGENT'S NOTE

We understand that No 2 Farriers Walk owns the area of the road directly in front of the house and that each property on the street does the same. Each owner has a right of way over the rest and is responsible for the upkeep of their part. The street appears to be in excellent condition so the owners do not expect there to be any issues in the near future. This is not a warranty though, so please take your own advice.
