16 Southfields Avenue, Ashford, TW15 1LB

Being sold with NO ONWARD CHAIN and ready to view immediately is this extended and deceptively spacious four bedroom, three bathroom, two reception room semi-detached family home occupies an exceptionally wide plot and is positioned within one of Ashford's most sought-after cul-de-sacs. Ideally located within walking distance of the town centre and highly regarded local schools, the property also enjoys open views over playing fields to the rear, creating a rare combination of convenience and outlook. The generous internal accommodation is perfectly suited to modern family living, while the substantial plot offers further extension potential, subject to the usual planning consents.

Externally, the home benefits from its own driveway leading to an impressive 27ft garage, along with a particularly large front garden that could easily be reconfigured to provide extensive off-road parking. The wide plot and mature surroundings present a unique opportunity to enhance and add value, making this a rarely available chance to acquire a long-term family home with significant scope for improvement in a premier residential location.
