IF YOU LIVED HERE...

You'd step through the porch and into a long through reception, where pale flooring, recessed lighting and a soft neutral palette help the space feel bright and settled. There's plenty of room to arrange distinct seating and dining areas, and the proportions make everyday life feel easy rather than crowded. A ground floor WC sits handily off the hall, with storage tucked nearby.

To the rear, the extended kitchen is clean-lined and contemporary, with sleek cabinetry, generous worktop space, and a central island for cooking, chatting or a quick breakfast before the day begins. Just off it, the utility room keeps the practical bits neatly out of sight. Beyond the kitchen, the south facing garden brings a welcome stretch of green, with the garden studio set at the far end. Finished to a high standard and complete with its own WC and separate store/utility, it adds a useful extra layer of space.

Upstairs, the first-floor extension has helped create three bedrooms, a smart bathroom and two separate dressing areas. The largest bedroom is especially generous, while the other two are well arranged and full of natural light, all finished in the same

calm, well-kept style found downstairs.

WHAT ELSE?

- Claybury Woods and Park is nearby for long walks and fresh air, with more than 70 hectares of meadows, ponds, veteran trees and ancient oak and hornbeam woodland.

- Woodford station is on the Central line, and around the station The Broadway has a good mix of local restaurants, bars and food spots, including Broadway Restaurant and The Broadway Deli & Grocery.

- Woodford Green Library & Gym on Snakes Lane West is another useful local fixture, with a spacious library and a modern gym under one roof.

A WORD FROM THE EXPERT...

"If you are new to Woodford Green, a quick walk or drive around the area shows what a fantastic place it is, but here is a bit of insider insight. I first got to know it through its great food, drink and nightlife. There is a mix of cosy pubs, independent cafés, smart cocktail spots and lively restaurants, so there is always somewhere new to try. Food lovers have plenty of choice, from classic fish and chips to Mediterranean dishes, hearty Sunday roasts and authentic Italian favourites. Whether you want a quick bite or a long lunch with friends, the dining scene has something for everyone. What truly sets Woodford Green apart is the green space. Epping Forest is only minutes away and offers one of the most impressive natural landscapes in the region. Closer to home, Ray Lodge Park is popular with families and dog walkers, with woodland, good paths and a welcoming atmosphere."
