SITUATION

Coldharbour is a timeless hamlet comprising a small cluster of properties which are mostly period in origin including thatched brick and flint cottages, located in a peaceful and totally unspoilt rural area designated as of 'Outstanding Natural Beauty', on the edge of a high Chilterns escarpment overlooking the Thames Valley and conveniently situated between the villages of Whitchurch Hill and Crays Pond. The area offers a wealth of outstanding state and private schools within easy reach by either private transport, or extensive school transport routes which are in abundance.

There are good road communications for Reading, Henley on Thames, Wallingford, Oxford and both the M4 and M40 motorways. Main line stations at Goring, Pangbourne and Reading provide fast commuter services up to London (Paddington) in under the hour.

In addition to well revered nearby primary school at Whitchurch on Thames and Langtree secondary school in Woodcote, locally the area is also extremely well served by an excellent range of private schooling also, of particular note; St Andrew's, The Oratory Prep & Senior, Pangbourne College, Cranford House, Moultsford Preparatory, Abingdon Boys and The School of St Helen & Katharine.

PROPERTY DESCRIPTION

Owl Cottage is a beautifully designed property, built in 2012 by the current owners and offering high specification fixtures and fittings, including oak flooring, doors and staircase, underfloor heating to ground and first floor, air filtering system and intelligent lighting.

Entrance is into a spacious reception area with dining room to the far end. Fixed floor to ceiling windows draw your eyes to the breathtaking views outside, which can be seen from all reception rooms. The cloakroom is built within the curve of the building. Glazed doors lead into the sitting room which has dual aspect and a wood burner.

Bi fold doors lead out onto the terrace with Loggia extending the width of the property. To the other side of the dining area are further glazed doors into the kitchen breakfast room. Designed by Holme Tree, in Ashley De La Zouch, the kitchen combines traditional wooden units with Silestone island. Travertine tiles run throughout the room and there is a generous dining area with bi-fold doors leading to the terrace, perfect for "al fresco" dining and entertaining. The utility room offers further storage and takes you through to the rear lobby with door leading to the integral double garage and staircase up to the self-contained bedroom / office which has an ensuite shower room.

The main staircase goes up to a beautiful galleried landing with views over the front providing much light. The main bedroom features wall to wall wardrobes and is vaulted. French doors take you onto the balcony capturing the stunning countryside views of the Thames Valley beyond. The ensuite is luxurious, with stand alone bath and wet room area. 2 further bedrooms with views and built in wardrobes and family bathroom with bath and separate shower complete the main upstairs. The accommodation is well proportioned and presented beautifully. An early viewing is highly recommended.

OUTSIDE

The property has an idyllic location situated towards the end of a quiet country lane. Private electric gates take you onto the fully gravelled driveway which offers parking for several cars and the double garage for further parking. There is pretty planting to the front of the house and then lawn to the side which then wraps around the whole property. To the side of the house is a stunning pergola with climbing roses. The rear garden offers many seating opportunities to sit in total privacy and enjoy in peace and harmony. Low box hedging with planted borders adjoin the fields at the back and then the lawn continues round and opens out to the side with a summer house. The Loggia across the back of the house has supporting timbers and a wide terrace. At the back of the garage is a wood store and the property enjoys a rain water harvesting system. Surrounded by country hedging, the plot extends to 0.3 of an Acre and a wonderful rural setting is very rare to the market.
