No Onward Chain....This well-presented three bedroom mid terraced house is located in the waterside village of St Lawrence which is situated on The Dengie Peninsula with its own stretch of beach known as St Lawrence Bay. The village is protected from flooding by the sea wall which was reinforced in the 90's and provides a footpath along the riverbank. The village is popular for its water sports with the sailing club situated on the River Blackwater and also benefits from a shop which includes a post office, two public houses and a restaurant. The village is conveniently within 5 miles of Southminster, which has a train station and further amenities.

The accommodation begins with a welcoming entrance hall featuring stairs rising to the first floor and access to all ground floor rooms. These include a convenient cloakroom fitted with a modern two-piece suite, a well-appointed fitted kitchen, and a spacious lounge/dining room. The lounge/dining area is particularly bright and inviting, benefiting from French doors that open directly onto the rear garden, creating an ideal space for both everyday living and entertaining. To the first floor, the landing provides access to three well-proportioned bedrooms along with a stylish three-piece family bathroom suite.

Externally, the property is attractively set back from the road and features a decorative shingle frontage with a pathway leading to the entrance door. The rear garden has been beautifully landscaped, providing a pleasant and low-maintenance outdoor space perfect for relaxing or entertaining. Further benefits include a single garage and additional parking to the front of the property. Viewing is highly recommended to fully appreciate all that this lovely home has to offer.
