## THE PROPERTY:

The accommodation comprises of entrance porch, entrance hall, sitting room with walk in bay window, dining room with patio doors opening to the rear garden. There is a cloak room and a Kitchen / dining room fitted with a range of high and low level units, an eye level oven and freezer integrated underneath. There is a door located here which opens to the rear garden.

To the first floor there are four bedrooms two double and two single. On the landing there is an airing cupboard with a hot water tank that is connected to a solar thermal panel on the roof. There is also a family bathroom and the potential to create an en-suite bathroom from the second bedroom. To the rear from where the previous cloak room was plumbing is still situated in this room so it would be highly easy to knock through from the bedroom and create an en-suite bathroom. From the landing there is a loft access with a drop down ladder. The loft is fully boarded and has power and light with a Velux window making it ideal for a conversion.

The property would benefit from some cosmetic updating.

Outside to the front of the property is off-road parking for two vehicles which leads to the garage with electric roller door with an EV charger inside and the garden to the rear is a good size with two storage sheds.

The garden has three outdoor seating areas and is predominantly laid to lawn and houses some mature plants, trees and shrubs.

This truly is a family home in a popular area of the town and viewing comes highly recommended, not only to appreciate the property itself, but the potential it has to offer.
