An impressive family home offering flexible accommodation of up to 5 bedrooms over two floors with multiple reception spaces and bathroom facilities all set in a large garden in Upton St Leonards. The home is well presented and has been well maintained by the current owner and early viewing is recommended.

Accommodation on the ground floor consists of 2 double bedrooms, bathroom, kitchen/diner, conservatory and 2 spacious receptions, with a first floor offering three further bedrooms, refitted shower room and balcony. To the front a drive and garage provides space for multiple vehicles and large garden area whilst the rear has a large garden with summerhouse and gated access
