PROPERTY SERVICES

4 Manor Road, Milton Keynes, MK17 0AJ

£350,000

Occupying an enviable corner plot in the popular village of Newton Longville, just outside Milton Keynes, this three-bedroom semi-detached home offers generous accommodation, mature gardens, and excellent parking options — all with no onward chain.

The property enjoys an elevated position and features a bright, full-width living room, a fitted kitchen, a ground floor bathroom with separate WC, and a dining room extension to the rear providing additional family space. Upstairs, there are three well-proportioned bedrooms, including a spacious main bedroom that spans the full width of the house.

Set within established front, side, and rear gardens, the corner plot provides plenty of outdoor space and privacy. Due to the position of the garden it does offer seclusion from other properties. To the rear, there is a garage and driveway parking, with double gates opening into the garden to allow additional off-road parking if required.

While the property would benefit from some modernisation in parts, it is generally well-presented and ready to move straight into — offering excellent potential for buyers looking to make a home their own in a well-connected village location.
