A well presented three bedroom detached family home, located in a sought-after rural location with far reaching views across surrounding countryside to Mount's Bay. Set in approximately 1/3 of an acre of gardens with orchard and far reaching views. The property has spacious accommodation over two floors which would make an ideal family home, being offered for sale in good decorative order, which really needs to be viewed internally to appreciate to the full. The gardens are a particularly attractive feature, offering a good degree of privacy and open outlook. Available by separate negotiation, adjacent to the property, and on a separate Land Registry Title, is a detached single storey granite barn which could (subject to necessary permissions) be converted to supply further accommodation. There is a gravelled parking and turning area and due to the popularity of properties such as this, we recommend an early appointment.
