Description of Property

Occupying an impressive footprint of approximately 2,060 sq ft, including the integral garage, this substantial five-bedroom home offers an exceptional combination of space, versatility and considered family accommodation arranged over two floors. The property is approached via a welcoming entrance hall with beautiful parquet flooring, distinguished by an attractive bow/bay-style window and providing access to the principal reception spaces, kitchen and ground-floor cloakroom.

At the heart of the home is a particularly versatile open-plan kitchen, breakfast room and snug, thoughtfully arranged with a fitted kitchen and central island, and enjoying a seamless connection with the conservatory beyond. Double doors open into the bright, glazed conservatory, while further doors lead through to the principal reception room, creating an adaptable arrangement ideally suited to both everyday family life and entertaining. The impressive principal reception room is generously proportioned, with excellent proportions and double doors opening directly onto the garden, whilst a separate formal lounge, again enhanced by an attractive bow/bay-style window, provides a more intimate setting for relaxation. A dedicated study and generous utility room further enhance the practicality of the ground floor, the latter benefiting from a sink and double doors providing direct access outside. An integral garage completes the ground-floor accommodation.

The first floor reveals an equally impressive arrangement of five bedrooms, a particularly notable feature of the property. The principal bedroom is generously proportioned and benefits from a range of built-in wardrobes together with its own private en-suite shower room. A further excellent-sized double bedroom also enjoys built-in wardrobes, whilst two additional well-proportioned bedrooms offer considerable flexibility for family, guests or home working. The fifth bedroom provides a versatile additional space, ideally suited to a child's bedroom, guest accommodation or study. Serving the remaining bedrooms is a well-appointed family bathroom with bath, wash hand basin and WC, whilst a spacious central landing, illuminated by a window, provides an elegant sense of separation between the bedroom accommodation and ground floor. Externally, the property presents an attractive and well-maintained frontage, approached via a driveway providing off-road parking and access to the integral garage. The rendered and

tile-hung elevations, handsome roofline and distinctive projecting bay windows create an appealing and individual appearance, complemented by mature planting and an abundance of colourful potted flowers.

To the rear, the garden provides a delightful extension of the living accommodation, with a substantial paved patio wrapping around the conservatory and creating an excellent setting for outdoor dining and entertaining. Beyond lies a generous lawn, enclosed by mature greenery and established boundaries, with a timber shed providing useful additional storage. The conservatory and multiple sets of glazed doors allow the garden to be enjoyed from several areas of the house, reinforcing the property's particularly appealing relationship between its indoor and outdoor spaces.
