SITUATION & AMENITIES

Croyde and its neighbouring surfing beaches are the nearest in the South West to London, the South East and the Midlands - and only about 45 miles from the M5. The village lies on the South West Coast Path near to Baggy Point, which is owned by the National Trust. It also lies within the North Devon Coastal Area of Outstanding Natural Beauty. Croyde has become internationally renowned for its superb surfing beach, which has played host to numerous top-ranking surfing competitions. The village is also one of the West Country's most popular areas in which to live or holiday - consistently featuring in the National Press and holiday/property programmes. The village offers an eclectic mix of picture-postcard cottages nestling next to contemporary homes, as well as a good range of local shopping facilities and amenities which are just a stroll from the property. There is a public footpath near the property, which leads on to the beach and surf and the property is ideally situated to explore other nearby beaches and the coastline of Ilfracombe, Lee, Putsborough, Saunton (also with Championship Golf Course), Woolacombe and Exmoor with its rocky coastline. The nearby larger village of Braunton (about 4.6 miles) provides a wide range of local amenities - including Post Office, banking facilities, health centre, primary and secondary schooling, pubs, restaurants, library and a good range of shops. North Devon's regional centre of Barnstaple is about 10 miles and houses the area's main business, commercial, leisure and shopping venues, as well as Pannier Market and district hospital. The North Devon Link Road (A361) can be accessed at Barnstaple and provides a link to the M5 at Jct.27, where Tiverton Parkway has a regular mainline service to London Paddington in just over 2 hours. The area is well served by excellent state and private schools. The nearest international airports are at Bristol and Exeter.
