SUMMARY

Located in a popular residential area directly opposite a park and playground, this chain free detached family home presents an exciting opportunity for buyers looking to undertake a modernisation project. Approached via a paviour driveway offering off-street parking alongside a lawned front garden, the property benefits from a covered carport and a brick-built garage with a secure side gate leading through to the rear.

The ground floor accommodation opens from a welcoming entrance hall into a ground-floor cloakroom. A bright and generous lounge forms the main living area, featuring a large front window and stairs rising to the first floor with built-in storage beneath. Sliding patio doors open from the adjacent dining room onto the garden, while a serving hatch connects through to the functional kitchen, fitted with oak-style units, a built-in pantry, and direct side access to the driveway.

Upstairs, a bright landing leads to three well-proportioned bedrooms and a family bathroom. The main bedroom includes a comprehensive range of fitted light oak wardrobes and a built-in linen cupboard, the second double bedroom overlooks the rear garden and houses the Vaillant gas combi boiler, and the third bedroom offers a built-in over-stairs wardrobe.

Outside, the rear garden is enclosed by walling and fencing, featuring a split-level paved and paviour patio area, a central lawn surrounded by mature trees and shrubs, and a side storage zone with a timber lean-to shed. A rear access gate opens toward Hannah More Road, completing this versatile property with immense potential.
