A well-presented detached three-bedroom bungalow, ideally located within a popular cul-de-sac close to local amenities in Mayland. The property offers flexible and versatile accommodation, beginning with a welcoming entrance hall that leads to two spacious double bedrooms positioned at the front of the home. Further accommodation includes a modern shower room, a comfortable lounge, and a well-proportioned kitchen/breakfast room. A separate dining room provides additional living space and could easily serve as a third bedroom if required.

Externally, the bungalow is set back from the road, benefiting from a driveway providing off-street parking for two vehicles, along with a single garage. There is also potential to create additional parking to the front (subject to necessary permissions). To the rear, a generous and secluded garden offers excellent outdoor space, with scope for extension subject to planning consent.

Mayland is situated on the Dengie Peninsula, just off the coast of the River Blackwater, enjoying scenic views towards Osea Island and Heybridge Basin. The village features an attractive nature reserve rich in wildlife and offers a range of amenities including a large recreational ground with football pitches, tennis courts, and children's play areas.
