SUMMARY

A beautifully presented semi-detached house with 2/3 bedrooms, situated on a spacious corner plot. The property has potential for extension, subject to obtaining planning permission.

The house provides excellent access to local amenities, such as a doctor's surgery, a regular bus service, a public house, and a convenience store. Additionally, it is conveniently located to access the major road network surrounding the city and central Exeter.

The interior of the property is light and airy, featuring an entrance hall, a living room, a separate dining room (currently utilised as a third bedroom), a modern kitchen, and a conservatory. The first floor includes two bedrooms, one of which has access to eaves storage, along with a modern bathroom.

Externally, there is an enclosed rear garden, primarily laid to lawn with planting borders. A section of the garden has decorative stone chippings, and there is gated access to both the front and side. The front garden is planted with a variety of mature shrubs, and the private driveway offers off-road parking. Adjacent to the house is a single garage with an up-and-over door.

Early internal viewing is highly recommended.
