£195,000

Situated within a well-established residential area of Templecombe, this two-bedroom terraced home presents an excellent opportunity for buyers looking to create a property tailored to their own tastes and requirements. Offering well-proportioned accommodation throughout, the home combines a practical layout with generous gardens to both the front and rear, a particularly attractive feature for a property of this type and setting.

The internal accommodation provides comfortable and balanced living space, including a spacious sitting/dining room ideal for everyday living and entertaining, together with a traditional kitchen fitted with wood-effect work surfaces and plumbing in place for appliances. While perfectly functional, the property offers clear scope for updating and modernisation, allowing a new owner to add value and personalise the interiors over time. Outside, the enclosed rear garden provides a secure and private area with both lawn and paved sections, offering room to relax, garden or further landscape if desired. The front garden, laid to lawn either side of a central pathway, enhances the property's kerb appeal and sense of space. A single garage located in a nearby block, together with ample on-road parking, further adds to the practicality and convenience of this well-located home.

The kitchen is fitted with traditional units and wood-effect work surfaces, with plumbing in place for a washing machine and space for a fridge/freezer and cooker. Practical vinyl flooring completes the space, and there is good scope for buyers to update or reconfigure the kitchen to suit their own style.

offering comfortable accommodation, along with a family bathroom fitted with a white suite. Throughout the property there is clear potential for buyers to personalise and add value over time.
