Brand New Willerby Brookwood 3 Bed 40ft x 12ft

This modern mobile home blends smart design with a welcoming style that instantly feels like home.

At the heart of the Brookwood is a spacious open-plan kitchen and dining area perfect for family meals, catching up with friends, or a quiet night in. The kitchen offers plenty of worktop space and storage, making it easy to cook up a feast or enjoy your favourite takeaway.

The cosy lounge area is both stylish and practical. Large fitted sofas create generous seating for everyone while leaving room for the kids to play. A hidden fold-out bed provides extra sleeping space for guests, and the modern media unit keeps everything tidy and organised.

Natural light floods through the large front windows, filling the space with a bright, airy feel. Every corner is designed for comfort and relaxation whether you're hosting, reading, or simply recharging after a long day.

The main bedroom feels like a private retreat, with a king-size bed, lots of wardrobe space, and a calm colour scheme that helps you unwind. The ensuite bathroom adds an extra touch of luxury. The two twin bedrooms are just as inviting, making this model ideal for families or couples who love to have visitors.

With its clever layout, stylish design, and practical features, the Willerby Brookwood delivers comfort, functionality, and fun in one beautiful package.
