# SELLER INSIGHT

---

"The thing that drew us to Abercynafon was its unique location. Nestled in fields beyond the end of the Talybont reservoir, and butted up against the main Brecon Beacons mountain range and in the middle of a beautiful, forested and farmed river valley that rises up to the moorland tops all around. We had found somewhere beautiful, green and cool, to create a self-sufficient and sustainable home for our family.

We have loved the journey of turning the Lodge into a comfortable family home, that's been loved by three generations for its garden and wildlife, the sheep farming around us, hill walking, waterfalls, wild swimming and biking.

It's also been a privilege to have been a very small part of the history of the Glyn, which has changed in the last hundred years from the home of a remote farming community to a new and less populated landscape, but one that is very much connected to local communities and the outside world."

# OUTSIDE

The house is approached from the road via a wooden five bar gate leading to a driveway with parking for several cars. To the left hand side of the driveway is an orchard, lawn and vegetable garden which adjoins open fields to the side and rear, a low level hedge shields the vegetable garden from the driveway. Immediately in front of the house is a level lawn adjoining the decked veranda and outside space accessed from the kitchen, all three areas are perfect for enjoying a morning coffee or evening drink. The lawn continues to the side of the house and links to the rear patio which faces North and captures the afternoon sun. The gardens and grounds slope gently up hill and have been thoughtfully created to provide a perfect leisure area but in keeping with the surroundings, comprise natural planting, a pond with stream to one side, paths between the shrubs and trees leading to the upper level. At the top of the garden is a lawn which adjoins open fields to the rear and provides spectacular views towards the forestry and open countryside across the roofline of the house, a tranquil and private space.

# LOCAL AREA

---

Abercynafon is located in the Caerfanell river valley, a tributary of the Usk in the heart of the Brecon Beacons National Park / Bannau Brycheiniog National Park. A mountain stream, the Cynafon, flows down from the mountain in front of the house. The valley was cleared of farms in the early 20C to protect the catchment of the Talybont reservoir, and the upper valley from the reservoir dam to Torpantau and surrounding mountain sides now contain no houses or farms, apart from those at Abercynafon. The valley has a large array of wildlife including ravens, buzzards and kites and boasts excellent walks with direct access to the Brecon Beacons chain of mountain tops. Talybont-on-Usk has a shop/café, public houses and a community hall with the larger towns of Brecon being circa 10 miles away, Crickhowell circa 12 miles and the market town of Abergavenny being approximately 18 miles away. Crickhowell is a thriving picturesque town with independent shops and a good range of amenities including well-regarded primary and secondary schools, library, doctors' and dentists' surgeries, restaurants and public houses. Crickhowell, which has been voted one of the best places to live by the Sunday Times, lies on the banks of the River Usk. Abergavenny, has wider facilities including supermarkets, a general hospital, leisure centre, bus station and a mainline railway station. Road links within the area are considered excellent with the A465 Heads of the Valleys Road circa 8 miles and the A40 circa 4 miles away providing access to the A470 for Cardiff, A4042/A449 for Newport and the M50 and M4 motorways.

## DIRECTIONS

---

Please note that when using SAT NAV the postal code will not take you to the property. SAT NAV will direct the route over the dam but to reach the property you need to continue following the road passing the dam on the left hand side.

From Abergavenny take the A40 towards Brecon, continuing for circa 14 miles before reaching a left hand turning towards Talybont- on-Usk. Turn left and continue to the end of this road, at the 'T' junction turn right. Continue along this road, passing the White Hart Inn on the left. Take the next left hand turning, shortly after passing the post office and village shop on the left hand side, continue over the canal bridge and follow the road passing the water treatment works. At the Talybont Reservoir dam, continue straight on for approximately 3 miles with the Talybont Reservoir on your left. Circa ½ a mile after the Reservoir ends, Abercynafon Lodge will be on your right hand side.
