An attractive four-bedroom detached family home, ideally situated in the highly sought-after area of New Costessey. Occupying an enviable mature plot, this beautifully maintained property is presented in good decorative order throughout and is offered with no onward chain.

The spacious and versatile accommodation begins with a welcoming entrance hall, providing access to two ground floor double bedrooms, the family bathroom, and the impressive living/dining room. Both bedrooms are well-proportioned doubles, one enjoying a front aspect and the other overlooking the rear garden. The family bathroom is generously sized and fitted with a four-piece white suite comprising a panelled bath, separate shower cubicle, wash hand basin, and low-level W/C. A particular highlight of the home is the superb living/dining room, measuring in excess of 24ft, creating an ideal space for both relaxing and entertaining. This bright and airy room features a staircase rising to the first floor, a front-facing window, and sliding doors opening into the conservatory. The conservatory provides an additional reception area, overlooking the delightful rear garden, and benefits from access to a convenient ground floor cloakroom. The kitchen is fitted with a range of wall and base units with work surfaces over, incorporating an integrated electric oven with separate hob, breakfast bar, and ample space for additional appliances. Doors lead to both the integral garage and conservatory.

To the first floor, a generous landing offers excellent flexibility and could easily be utilised as a study or home office space. There are two further double bedrooms, both benefiting from built-in wardrobes, along with additional storage cupboards on the landing.

Outside

Externally, the property is set back from the road behind mature hedging and a low-level brick wall, offering a high degree of privacy. A driveway provides ample off-road parking and leads to the integral garage with electric up-and-over door.

To the rear, the property boasts a stunning mature garden, mainly laid to lawn and beautifully stocked with established trees, shrubs, and flower beds. A feature pond creates an attractive focal point, while a range of useful outbuildings include a greenhouse, summerhouse, and substantial timber workshop/outhouse. The garden also extends to the side of the property, where a further lawned area with pathway and mature borders offers additional outdoor space, with potential for extra parking if desired.
