## Outside

The property is approached via a cobble effect concrete driveway, providing off-road parking for multiple vehicles and access to the garage. The frontage is attractively landscaped with shingle and slate chipping borders, planted shrubs and trees, and outdoor lighting. The main entrance is sheltered by a storm porch, and the front boundary is enclosed by brick walling and timber fencing. Gated access on both sides of the property leads to the rear, with the side areas offering an EV charging point, space for bin storage, and a pedestrian door into the garage. A paved pathway, bordered by shingle, continues to a gate that opens into the rear garden.

The rear garden is designed for low maintenance and includes an artificial lawn, planted borders, a patio area, and decking with recessed lighting and outdoor power sockets. A timber potting shed is positioned to the rear of the studio, and sliding doors provide access into the garden studio.

## Garage

5.16m x 2.41m

The garage has an up-and-over door to the front and provides space for parking, storage, or use as a workshop. It includes a laminate work surface, space for additional appliances, light, power, a side pedestrian access door, and a timber window to the rear.

## Garden Studio

2.60m x 2.50m

The garden studio is UPVC double glazed and finished with vinyl flooring. It offers light and power sockets, spotlights, and x2 UPVC sliding doors opening to the front and side. The space is suitable for hobbies, entertaining, or home working.
