Accommodation

Stepping into the property, a handy porch lends itself well to coats, shoes, and such like before leading into the hallway. The hallway is a great size and provides access to three reception rooms and the kitchen. The two reception rooms to the left of the hallway are currently utilised as a dining room and living room with a conservatory to the rear of the property overlooking the back garden. The third reception is equally as versatile and is currently used as a study, but has previously been used as a playroom and additional bedroom. The kitchen is a great size and benefits from ample storage in a range of floor and eye-level units, accompanied by integrated appliances to include dishwasher, double electric oven, and five-ring induction hob with extractor over. Additionally, the kitchen has a utility area which offers additional

storage as well as plumbing for washing machine and tumble dryer. There is also a downstairs WC with a wash hand basin and WC.

Taking the stairs, the first floor comprises four double bedrooms and a stylish shower room with WC, wash hand basin, and a double-width walk-in shower enclosure. The largest bedroom is located to the rear of the property and benefits from a sash style window to the rear aspect overlooking the back garden. The second bedroom is to the front aspect and benefits from a bay-style window.

The top floor benefits from a further two double bedrooms, with one benefiting from an en-suite. Please note that there is plumbing to the room, but does need a suite to be installed.
