WHAT'S GREAT?

Ideally located just a stone's throw from Abington Park and the County Cricket Ground, this light and spacious one-bedroom ground floor flat also benefits from the wide range of shops, cafés and everyday amenities along the ever-popular Wellingborough Road. Offered to the market chain-free, the property presents an excellent opportunity for first-time buyers, downsizers or investors.

The property enjoys its own private entrance, giving it a more independent feel than many apartments. The fitted kitchen/breakfast room is also dual aspect, creating a light and practical space for both cooking and dining.

The double bedroom features a high ceiling and fitted storage, while the property also benefits from a modern shower room.

To the rear, a patio area directly outside the back door provides a pleasant spot to sit and

enjoy the surroundings. The property is set within attractive, mature communal gardens and also has access to the communal car park, where one allocated parking space is included.

With its excellent location, private entrance and abundance of natural light, this chain-free property is well suited to those seeking a comfortable home in a convenient setting.

SELLER'S SECRET

The size of the property, the abundance of natural daylight, and the gardens were what first attracted me to it. I've truly loved living here and will miss the residents; we've always looked out for one another

Why we like it....

The location is a real highlight of this property, situated just a stone's throw from Abington Park and close to all the amenities that Wellingborough Road has to offer. It is also worth noting that the property comes with a share of the freehold.

A fantastic opportunity for first-time buyers, downsizers, and investors looking for a well-located property.

To buy or not to buy....
