Located within Kirk House, this stylish one bedroom apartment combines contemporary interiors with the character of a thoughtfully converted landmark building. Originally redeveloped by award winning architects and developers Quad, Kirk House blends retained period features with modern finishes and carefully considered design throughout.

Accommodation

The apartment enjoys bright, well-proportioned interiors designed to maximise both space and natural light, creating an inviting and practical home ideal for first time buyers, professionals or investors. The open plan living space is finished with oak wood flooring and flows seamlessly into a stylish contemporary kitchen featuring grey Zenith worktops and a comprehensive range of integrated Bosch appliances.

The generous double bedroom benefits from built-in wardrobes, while the sleek shower room has been finished to an exceptional standard with a walk in shower, thermostatic controls, ceramic tiling, bespoke cabinetry, under mounted wash basin and contemporary vanity surfaces.

Further features include programmable lighting within the living area, Virgin Media and BT cabling for fibre optic broadband and satellite TV connections, electric underfloor heating, and a Megaflo hot water cylinder.

Externally, Kirk House retains its distinctive original façade, complemented by landscaped surroundings that soften the streetscape and create an attractive setting. Residents also benefit from private parking located to the rear of the building.

Kirk House remains one of West Drayton's landmark residential conversions, offering stylish modern living with enduring architectural appeal in a highly convenient location.
