6a Davies Road, Moreton-in-Marsh, Gloucestershire, GL56 0HR

Offers Over £400,000, Freehold

Property Description

Positioned at the end of a tree-lined crescent-style cul-de-sac to the east of this popular Cotswold market town, this detached, two-storey, three bedroom family home was built in 2015 to a good specification and is strongly recommended for internal inspection.

The property has a spacious living room with a full-width diner kitchen to the rear with a good compliment of units and integrated appliances and a full-height picture window with double doors leading on to the completely enclosed south facing rear garden.

At first floor level there are two double and one single bedroom (currently used as an office), an attractively tiled bathroom and an ensuite shower room to the master bedroom with a rain shower head.

The property has gas fired central heating from a combination boiler, UPVC double glazing, wood-style ceramic tiling to the majority of the ground floor and wet rooms and very importantly, off-street parking for two vehicles in block paved areas to the front.

Certain to be of appeal to the young and elderly alike, the house has clean smart lines and benefits from some recent redecoration.

Davies Road is in a quieter area away from mainstream traffic on the London Road and just over half a mile from the town centre with its famous tree-lined High Street where there are a wide range of shops and amenities, primary school and the all important railway with direct links to Oxford and London Paddington. The town is predominantly flat and has two good quality supermarkets, seven public houses, community hospital, two doctors surgeries and the town is in the catchment area for Chipping Campden secondary school.
