Old Bank End Farm

ST LAWRENCE, ISLE OF WIGHT

A rare opportunity to acquire a complex comprising three holiday let cottages along with associated barns, yurts and paddocks in a spectacular south facing setting a short walk from Orchard Bay

This attractive range of period stone barns, converted approximately 20 years ago, provides three good quality holiday let cottages each with outside terraces. Adjacent buildings provide indoor play areas, entertaining spaces and storage and have further potential. In all, the property extends to approximately 2.7 acres and comprises a small paddock to the west where two yurts are situated along with a lower field including a mini golf course. The barns are subject to a holiday let planning restriction.

The property is situated in a fantastic coastal position with southerly views over the English Channel. A footpath runs along the western boundary of the property leading directly to nearby Orchard Bay, just a couple of minutes' walk away, from where there is direct access to the coastal path which provides access to wonderful walks along the island's southern coastline accessing various bays and coves. It is proposed that the separate private path which currently passes over land being retained by the vendors will cease to exist following the sale.

This provides further development potential subject to the necessary consents being renewed.

AGRICULTURAL BARN

To the west of the holiday let cottages is a substantial agricultural barn with a concrete portal frame 12.3m x 17.8m adjacent to which is a lean-to **STORE** 14m x 5.6m beyond which is a further adjoining **BARN** 5.8m x 6m currently used as a further indoor play area.

THE LOOKOUT & INNER COURTYARD

Positioned at the southern end of the complex is **THE LOOKOUT**, a former stone barn now arranged as an open-air courtyard. With its southerly aspect, it provides a wonderful space for outdoor seating, dining and entertaining. At the heart of the buildings is a former farmyard now forming a courtyard, providing a haven for a variety of wildlife and offering further potential.
