To the left, the generous lounge features a window to the front, elegant French doors to the rear garden, and a wood-burning stove creating a cosy focal point. To the rear of the hallway, a separate study offers an ideal space for home working or reading in peace.

On the right-hand side of the house lies the stunning kitchen/family/dining room. Designed for both everyday living and entertaining, this light-filled space includes a central island, underfloor heating, an excellent range of cabinetry and cooking appliances. French doors and bi-fold doors opening onto the patio and garden. A utility room is set just off the kitchen, with a door to the side garden. Outside, the large rear garden is laid mainly to lawn, edged with mature trees and thoughtfully landscaped with an expansive tiled patio area - perfect for outdoor dining and entertaining.
