crescent in the heart of
Willesden Green. This listing

Upon entering, it becomes immediately apparent that the current owners have undertaken a meticulous interior and architectural design process. The interior design scheme is distinctly contemporary and sympathetic to the original character of the house.

The Ground Floor is constituted around a main entrance hallway, off which all rooms are accessible. The main reception room boasts exquisite bespoke joinery, moody hues and large bay windows. The rear is impressive and arguably the defining feature of the house.
