22 Gambier Parry Gardens

Gloucester, GL2 9RD

A VERY WELL MAINTAINED DETACHED FAMILY HOME BUILT APPROXIMATELY 40 YEARS AGO ON THIS HIGHLY DESIRABLE SMALL DEVELOPMENT

Gambier Parry Gardens is a very popular and sought after development of just 102 houses situated less than ½ mile to the north of Gloucester city centre. The exciting Docklands and Cathedral are both within walking distance. Good local shopping is close by and access to Cheltenham is only a short drive.

Number 22, originally built by Bryant Homes in the early 1980's as a "Kestrel " being the second largest style of houses on this development. It is in good condition throughout with the additional benefits of a large utility room to the side and a possible fifth bedroom or study replacing part of the garage and a conservatory to the rear. To the exterior there is unusually parking for five cars to the front a half garage, wide side access and surprisingly private good sized rear gardens.
