Set within a desirable cul-de-sac in the historic village of Brading, Kingfishers is a spacious detached bungalow offering generously proportioned, light-filled accommodation. The property has been thoughtfully updated and carefully cared for, creating a home that feels immediately welcoming, with tasteful décor, well-balanced living spaces and a delightful enclosed garden ideal for relaxing or entertaining. With its famous iron bullring in the centre of the village, Brading boasts a village shop and a good range of pubs and eateries as well as a local Primary School. The coastal towns of Sandown and Ryde provide wider amenities and are only a short distance away, while the prestigious Brading Roman Villa, situated within a designated National Landscape, is also nearby and regarded as one of the finest Roman sites in the UK. Brading is well connected, with good public transport links providing access across the Island.

Welcome to Kingfishers

Occupying an attractive position within a quiet and established cul-de-sac, Kingfishers immediately offers a sense of privacy and tranquillity. The neat frontage, upgraded to provide an abundance of parking, driveway and adjoining garage create an appealing first impression, while the detached design enhances the feeling of space around the property. Subtle character details, including the charming kingfisher signage, lend personality and warmth before even stepping inside.

Entrance Hall

A welcoming and spacious central hallway provides access to the principal accommodation and immediately reflects the home's immaculate presentation, with soft neutral décor and attractive internal oak doors continuing throughout the property.

Lounge/Diner

The generous lounge/diner is a wonderfully bright and sociable space extending across the front of the property, with triple aspect glazing filling the space with natural light. Offering ample room for both seating and dining furniture, the proportions of the room make it ideal for entertaining while still maintaining a cosy and comfortable atmosphere for everyday living.

Kitchen

Conveniently positioned, the recently updated kitchen is well arranged with a practical layout providing good storage and preparation space, with fresh white cabinetry, wood-finish worktops and white tile splashbacks. The room comfortably accommodates modern appliances while maintaining a bright and functional feel suited to daily family life. A door leads to the side path, connecting to the garden.

Bedroom One

The principal bedroom is a peaceful and generously sized double room, beautifully presented in calming tones that enhance the restful atmosphere. There is ample space for freestanding bedroom furniture while the large window allows plenty of natural light to fill the room.

Bedroom Two

Another spacious double bedroom, currently arranged as a flexible guest and family room, offering excellent versatility depending on requirements. The proportions make it equally suitable as a substantial guest bedroom, hobby room or additional principal accommodation.

Bedroom Three

The third bedroom is a comfortable room, ideal for a bedroom, home office or dressing room, and benefits from pleasant natural light and a quiet position within the property. French doors fill the space with natural light and lead out to the terrace.

Bathroom

The stylish family bathroom is presented with a clean contemporary finish, with a suite comprising a panelled bath with glazed shower screen and shower over, WC and vanity basin. Crisp tiling and modern fittings create a bright and fresh feel throughout.

Cloakroom

Complementing the main bathroom, the separate cloakroom provides additional convenience for guests and day-to-day practicality.

Rear Garden

The enclosed rear garden is very private, and has been thoughtfully arranged to provide both ease of maintenance and enjoyable outdoor living. A generous patio area offers the perfect spot for outdoor dining and entertaining, while the level lawn is bordered by mature hedging and established planting that create privacy and greenery throughout the seasons. The garden enjoys a wonderfully peaceful atmosphere and a sunny orientation. An upper terrace provides further options and is the perfect place for a washing line, and has a gate that connects to the driveway and garage.

Garage and Parking

The property further benefits from an adjoining garage providing excellent storage, workshop potential or secure parking, which combines with a recently updated block-paved parking area to the front, and a further driveway to the side of the property.
