Tucked away in a cul de sac, this beautifully presented and thoughtfully extended home offers over 1,300 sq ft of flexible, contemporary styled, accommodation.

The living space has recently been extended and provides a calm and welcoming retreat. Beautifully decorated with paneled walls to the lounge area and a large roof lantern in the dining area, which fills the room with natural light. From the dining area, there are black, crittall style, bi folding doors leading out to the deck in the garden, where you can sit and enjoy the sunshine all afternoon.

The stylish and well proportioned kitchen / breakfast room is fitted with neutral grey units and complemented by solid wood worktops. A pop of colour is added with soft green metro style tiling and a dusky pink feature wall. The practical layout provides space for a table and chairs and plenty of storage. There is also a useful downstairs cloakroom and large understairs cupboard, which could potentially be converted to a utility area.

On the first floor are two well-proportioned double bedrooms, alongside a modern family bathroom. The main bedroom leads through to an additional room which offers flexible use as a dressing room, home working or a nursery. There is also further potential to create a third bedroom or an en suite.

Situated to the rear of the property is an attractive, modern, stand alone cabin, approached via a decked seating area. The cabin offers a versatile space, currently used as a bedroom with its own en suite shower room.
