🏠 EPC Rating C

Offered with no onward chain and with wonderful views over the Kennet & Avon canal to the rear, this excellent family home offers a wonderful opportunity for anyone wanting convenient access to the town, generous accommodation, and a canal-side setting. The property backs directly onto the historic canal, and from its own private and peaceful south-easterly facing garden you can sit and watch the barges and canoeists meander past.

Internally, the front door opens into a porch, leading through to the hallway. The main sitting room features solid oak flooring, a gas fireplace, and a large window overlooking the rear garden.

The kitchen/diner can be accessed from both the hallway and the sitting room. This is a dual-aspect space, with double doors from the dining area opening into the conservatory with tiled flooring at the rear. The dining area continues the oak flooring, while the kitchen itself has tiled flooring. It is fitted with a good range of wall and base units, a 'Rangemaster' cooker, plumbing for white goods, and a window to the front. A side access corridor provides a utility area with space for white goods, along with a recently fitted shower room, and a door out to the rear garden. Upstairs, there are two double bedrooms, a good-sized single bedroom, and a separate family bathroom with a disability bath and shower over.

To the front, the driveway provides parking for two vehicles. The rear garden is mainly laid to lawn, with established shrubs and trees and includes a shed.
