

STIRLING AVENUE, LEAMINGTON SPA, CV32 7HW

Property Description

For the first time in over 60 years 83 Stirling Avenue is available to purchase. This well-maintained three-bedroom family home, superbly positioned and set back from the street, is being offered for sale with no onward chain. This property provides a fantastic opportunity for a buyer to create a home tailored to their own taste.

While the house has been carefully maintained over the years, it would now benefit from cosmetic refurbishment, offering considerable scope to modernise and add value. There is also excellent potential to extend the property, subject to the necessary planning permissions and consents.

The accommodation includes an entrance hall with downstairs W/C, fitted kitchen with utility area behind the garage, living room with double doors through to the dining area and a conservatory overlooking the generous rear garden. On the first floor there are three good-sized bedrooms and a family bathroom. The property also has a solar hot water system installed in the large loft space.

To the rear of the property there is a long garden which is not directly overlooked, providing a wonderful, private outdoor space and further scope for landscaping or potential extension. The garage benefits from an inspection pit, making it especially useful for those with an interest in vehicles or requiring additional workshop/storage space. To the front of the property there is additional off-street parking and a walled front garden.

The property is located in popular primary and secondary school catchments

With its excellent position, generous garden, three well-proportioned bedrooms, garage, potential to extend and no onward chain, this is a property with significant potential to become an outstanding family home. Viewings are by appointment only and strongly advised to appreciate.
