As a trusted part of the community, we've built up our own little round-up of heroes – the best professionals for the job. Just like Woody and the gang look out for each other, any partner we recommend is someone we believe will help make your moving adventure as smooth as possible.

From time to time, a small number of these partners (certainly not the majority) may say “You’ve got a friend in me!” by paying us a referral fee of up to £200. This never affects our recommendation, and of course, you’re always free to choose your own adventure and use any professional you wish.

Should you have an offer accepted on one of our properties and proceed with the purchase, there will be a small mission admin charge of £36 including VAT per person (non-refundable). This covers completing the required Anti Money Laundering Identity checks – keeping everything safe and above board for the journey ahead.
