****Chain Free**** This purpose built first floor apartment forms part of the prestigious and sought after Savoy Court Development which is situated in a delightful cliff-top location. Savoy Court is a development of 30 apartments and is located just to the East of the very attractive Old Village area of Shanklin and is perched on the cliff-top just above the Esplanade and beach. Access to the beach is about a 500 yard walk down Chine Hill with the Old Village area being a similar distance and the main shopping area of the town being about 1/2 mile on a level walk. Opposite the development is access to Keats Green and the cliff path which leads all the way through to Sandown. This apartment has been renovated throughout to in our opinion a very high standard to include both bathrooms and kitchen. The deceptively spacious accommodation is well planned and is and offers large entrance hall and two double bedrooms (master en-suite). A fine additional feature to this apartment is that it has a wrap around balcony that can be accessed from both the kitchen and lounge which enjoys a East and South aspect with stunning sea views and views over the wooded Shanklin Chine. Outside the apartment has a Garage and there are superb communal gardens and visitor parking is also available.
