The Oak Yard

An exclusive collection of just four individually designed homes in a peaceful semi-rural setting on the edge of Great Baddow and Galleywood.

Inspired by the timeless architectural character of traditional Essex farmsteads, The Oak Yard has been thoughtfully designed to create four distinctive homes that sit comfortably within their surroundings while offering beautifully crafted contemporary living. Each property has its own architectural identity, ensuring every home feels individual rather than part of a conventional housing development.

Perfectly positioned between open countryside and Chelmsford city centre, residents can enjoy the best of both worlds, with excellent commuter links, highly regarded schools and everyday amenities all within easy reach.
