A CONTEMPORARY COUNTRY RETREAT WITH CHARACTER, SPACE AND STYLE

Tucked away at the end of a quiet country lane, this beautifully restored **three-bedroom stone cottage** blends rustic charm with modern living. Surrounded by open countryside yet moments from Congleton and Mossley, it offers a lifestyle that feels both peaceful and connected — the perfect balance.

WELCOME HOME

A smart **composite front door** opens into a cosy **entrance porch**, complete with a flagstone floor and leaded light internal door — a hint of the character waiting beyond.

Step through into the impressive **23ft lounge/dining room**, a warm and versatile space featuring a **brick fireplace, flagstone flooring**, and a striking **spiral staircase** rising through the centre of the home. A walk-in storage area adds everyday practicality, while the double-glazed window frames views of the quiet lane outside.

THE HEART OF THE HOME

The generous **breakfast kitchen** is designed for cooking, gathering and entertaining. Timber-style units with granite-effect surfaces wrap around the room, incorporating a **breakfast bar** and plenty of workspace. There’s room for a **range cooker**, plus space and plumbing for a dishwasher, washing machine and tumble dryer, as well as an upright fridge freezer. A double-glazed door opens directly to the rear, making indoor-outdoor living effortless.

FIRST FLOOR COMFORT

The first-floor landing leads to two charming bedrooms, each with **exposed beams, stained floorboards**, and double-glazed windows that capture the surrounding greenery. The family bathroom features a **white suite, a P-shaped bath with shower mixer**, tiled splashbacks and a tiled floor — fresh, simple and functional.

A PRIVATE TOP-FLOOR SANCTUARY

The entire second floor is dedicated to the **master suite** — a peaceful retreat with two double-glazed windows, stained floorboards and space to unwind. A separate **dressing area** with Velux roof light leads into the contemporary **en-suite wet room**, complete with walk-in shower, towel radiator, Velux window and fully tiled walls and floor. A discreet cupboard houses the central heating boiler.

OUTDOOR SPACE TO ENJOY YEAR-ROUND

The rear courtyard is a charming, low-maintenance space with **stone flags, timber decking**, and a **timber storage shed** at the bottom — ideal for bikes, tools or outdoor gear. Outside power points, a tap and lighting make the space practical as well as inviting. Parking is conveniently located opposite the cottage.

COUNTRYSIDE ON YOUR DOORSTEP

Just steps away lies the **Biddulph Valley Way**, offering miles of scenic walking and cycling routes. Prefer a waterside stroll? The canal towpaths lead directly to Congleton town centre and the village of Mossley, giving you rural tranquillity with everyday convenience.
