Property Description

4-5 Inverarish Terrace is a terraced, 3 bedroom property on the ever popular island of Raasay, off Skye's east coast. Originally 2 houses, the property has been converted to create a spacious, home close to all the attractions Raasay has to offer.

4-5 Inverarish Terrace is located in a quiet street in the main residential area of Raasay. It is one of a small terrace of traditional properties originally built to house prisoners of war sent there during the first World War. The accommodation within is set out over two floors and comprises of entrance vestibule, open plan kitchen / dining room, lounge, sitting room, toilet and hallway on the ground floor. On the upper floors are three bedrooms and two shower rooms. The property benefits from a mix of solid fuel heating via a back boiler and electric storage radiators. Windows are UPVC double glazed and single glazed timber sash and case.

Externally, the property hosts a small rear garden which is planted with a variety of trees and shrubs. There is a small, shared outbuilding providing storage. On street parking is available to the front of the property.

Location:

The Island of Raasay has the Scottish mainland to the east and the Isle of Skye to the west. The island is accessed by a regular ferry service from Sconser on Skye, making access to Skye and the mainland straight forward. The ferry service provides the local village shop with fresh produce and daily papers. The busy town of Portree is some 14 miles north of the Sconser ferry terminal and here you will find excellent shopping facilities and services including secondary schooling. Raasay has its own primary school and a community centre/village hall. The island is very picturesque and has places of historical interest which attracts visitors to the area.

Located a short drive from the ferry terminal, 4-5 Inverarish Terrace offers the purchaser an exciting

Entrance Vestibule (6' 4.77" x 5' 4.57" Max) or (1.95m x 1.64m Max)

Energy Efficiency Rating			Environmental Impact (CO ₂) Rating		
	Current	Potential		Current	Potential
Very energy efficient - lower running costs			Very environmentally friendly - lower CO ₂ emissions		
(92+) A			(92+) A		
(81-91) B			(81-91) B		87
(69-80) C		69	(69-80) C	78	
(55-68) D			(55-68) D		
(39-54) E	46		(39-54) E		
(21-38) F			(21-38) F		
(1-20) G			(1-20) G		
Not energy efficient - higher running costs			Not environmentally friendly - higher CO ₂ emissions		
England, Scotland & Wales	EU Directive 2002/91/EC		England, Scotland & Wales	EU Directive 2002/91/EC	

The energy efficiency rating is a measure of the overall efficiency of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.

The environmental impact rating is a measure of a home's impact on the environment in terms of carbon dioxide (CO₂) emissions. The higher the rating the less impact it has on the environment.
