Set behind private electric gates on the desirable outskirts of Kenilworth, this newly built, nearly 10,000 sq. ft. family home offers the very best in modern luxury living. Spanning four meticulously designed floors, this extraordinary residence combines grand proportions with state-of-the-art technology and premium finishes throughout. A rare opportunity to acquire a home of this scale and specification in one of Kenilworth's most sought-after locations. Perfect for those seeking space, privacy, and the very best in modern family living.
