- Enclosed rear garden with patio and lawn
- Integral garage with versatile insulated hobby/games space and driveway parking
- Conveniently located north of the river

Offers In The Region Of £400,000

A four-bedroom townhouse offering spacious and versatile accommodation across three floors, complete with a rear garden, driveway parking, an integral garage with a flexible hobby room or study space, and a superb top-floor principal suite. Conveniently located North of the River allowing easy access to Stratford Parkway and the M40.

ACCOMMODATION

The property is entered via a spacious entrance hall allowing access to all ground floor rooms. A cloakroom is fitted with a WC and wash hand basin. Positioned to the front of the property is the breakfast kitchen, fitted with a range of matching wall, base and drawer units with work surfaces over incorporating a stainless steel sink and drainer. Integrated appliances include an oven and grill, four-ring gas hob with canopy extractor over, fridge freezer, dishwasher and washing machine. To the rear of the property, the sitting room enjoys views over the garden and benefits from an under stairs storage cupboard together with doors opening directly onto the patio, creating an ideal space for both everyday family living and entertaining.

On the first floor are two well-proportioned double bedrooms alongside a good-sized single bedroom, ideal as a nursery, child's bedroom or home office. The family bathroom is fitted with a panelled bath with shower over, WC, pedestal wash hand basin and heated towel rail.

Occupying the entire second floor is the impressive principal bedroom suite. The bedroom benefits from loft access and is complemented by an airing cupboard on the landing and a private en-suite shower room comprising a shower cubicle, WC, wash hand basin and heated towel rail.

Outside, the enclosed rear garden enjoys a paved patio adjoining the property, leading onto a lawn enclosed by timber fencing. Gated side access provides access to the front, while an integral door connects directly into the garage.

The garage offers exceptional versatility, having been partially converted to create a hobby space or "man cave". The rear section has been insulated, plaster boarded and soundproofed, while a simple ply board partition means the garage can easily be reinstated to its full original use if desired. The front section retains the up-and-over garage door and provides useful storage space, with additional storage available within the eaves. A driveway to the front provides off-road parking.
