Purchased brand new in 2026 with every intention of being the current owners' forever home, an unexpected relocation means this absolutely stunning two bedroom detached park home at the highly sought-after Walton Hall Farm is looking for its next lucky owner far sooner than anyone expected.

And their change of plans could be very good news for you.

Exclusively for the over 45s and set within a fantastic community, this home was impressive when it was brand new — but the owners haven't exactly been sitting still. Since moving in, they've added their own finishing touches, including a beautifully landscaped wrap-around garden that might just have you spending more time outside than in.

Step through the front door and you're greeted by a welcoming entrance hallway before discovering a fantastic size lounge complete with cosy electric fireplace and air conditioning. So whether the British weather decides on tropical or tundra, you're covered.

Then there's the kitchen/diner.

Bright, airy and seriously stylish, a Velux window pours in natural light while integrated appliances and an impressive Leisure range-style cooker make this a kitchen that deserves considerably more than a microwave meal.

There are two lovely size bedrooms, but the principal bedroom definitely knows it's the principal. It comes complete with air conditioning, its own dressing room and a beautiful en-suite shower room. There's also a stunning main bathroom for guests and bedroom two — because sharing is overrated.

And then we head outside...

The fabulous wrap-around garden has been thoughtfully landscaped to create a gorgeous, low-maintenance space for morning coffees, summer lunches and those evenings when "just one drink outside" turns into several hours.

There's a raised decked seating area, Indian sandstone patio, artificial lawn and tranquil water feature, while two private driveways mean there's no debating who gets the parking space.

And if you needed a couple more reasons to fall for it?

No Stamp Duty payable. Pets allowed.

Brand new in 2026, beautifully improved, wonderfully spacious and sitting on a fantastic plot within one of the area's most desirable over-45s communities.

The owners thought they'd found their forever home.

Perhaps they actually found yours.
