the details...

The property has been fully modernised and renovated throughout, creating a stylish, contemporary home that is ready to move straight into. The well planned accommodation comprises an entrance hall with a useful built in shelved cupboard, a modern downstairs bathroom and a bright and welcoming open plan lounge and kitchen area. The brand new kitchen is fitted with integral appliances and provides a smart and practical space with plenty of room for both cooking and entertaining. Upstairs, the gallery style bedroom provides a comfortable and private sleeping area, making excellent use of the space available.

Further benefits include uPVC double glazing and a new central heating system, including the boiler and radiators, which were installed in 2024. Outside, the property benefits from a private garden with a useful shed, providing additional storage, together with off road parking.

Having undergone a full programme of modernisation and renovation, this is an excellent opportunity for anyone looking for a low maintenance home with no immediate work required. The property would make an ideal first time purchase or an attractive investment opportunity.
