There is excellent scope for the new owner to finish this extension and create a superb living space looking out towards the cathedral. (The architect's drawing is shown within our advert)

The rear garden is well maintained and offers excellent privacy. Adjoining the bungalow is a lawn with a large timber outbuilding/workshop with electricity connected. A picket fence and gate then lead to a vegetable garden with more sheds and a chicken coup. Beyond this is an orchard with apple, plum and pear trees. The garden provides a most attractive setting and should be viewed to be fully appreciated.

To the front there is a spacious gravelled driveway.
