A very well presented, bright and spacious period terrace house of approximately 1312sq ft, ideally located in the highly sought-after St Peter's Conservation Area.

The ground floor comprises a welcoming entry hallway, a dual aspect double reception room with double glazed sash windows and shutters, a contemporary kitchen/breakfast room opening to a west facing rear patio and guest cloakroom. On the half landing there is a study/4th bedroom with its own private roof terrace. On the first floor there is a double bedroom and a full width principle bedroom. On the half landing there's a shower room and a separate bathroom and the third double bedroom is on the top floor. Standish Road is enviably located on the borders of Chiswick and Hammersmith, close to some of the area's most sought after schools.
