This property presents an excellent opportunity to purchase either a first home or a first investment property. Solidly built in brick, it enjoys a central and convenient location just a few minutes level walk from the town centre and harbour. Having been in the same family for many years, the house has been a much-loved home. It would now benefit from some modernisation, giving a new owner the chance to update and personalise the space to their own taste.

The accommodation is well-proportioned and versatile. Upstairs are three bedrooms — two generous doubles and a smaller third room that would work perfectly as a nursery, study, or home office. On the ground floor, the bay-fronted living room with fireplace creates a welcoming focal point, while to the rear is an open-plan kitchen and dining area, ideal for everyday family living.

A rare advantage for such a central Brixham property is the off-road parking provided by a good-sized frontage. To the rear, the house boasts a sun-trap garden of excellent proportions. The garden features a concrete seating area, a level lawn, and a useful shed, with gated access at the rear.

Offered to the market chain-free and freehold, the property further benefits from PVCu double glazing and gas central heating. With scope to modernise and add value, this is a superb opportunity to create a comfortable home or investment in one of Brixham's most convenient locations.
