Stepping through the front door, the feeling of space and light that flows throughout the home is instantly apparent. The central hallway flows to all of the ground-floor rooms, and our stairs rise to the first floor. Set to the left, we find the first of the three spacious reception rooms, the study. This versatile room provides a space away from the main living, ideal to work from. Two windows fill the room with light and enjoy the rural views. Opposite, we find the dining room leading open plan from the hallway, this fine-sized room looks to the front gardens and flows open plan to the kitchen/breakfast room, ideal when entertaining. In the kitchen/breakfast room we find space for informal dining whilst a range of modern wall and base units are set against contrasting worktops and splash backs. A fitted fridge, dishwasher, oven, hob and extractor feature whilst the sink is set below a window looking onto the patio and gardens. The kitchen flows again open plan to the rear area of the hallway, where a stable style door leads to the patio. In the hallway, we pass the utility and step into the sitting room set to the rear. This superb room enjoys a triple aspect looking onto the gardens and enjoying the field views. A wood burning stove creates a cosy focal point and French doors open to the garden. On the first floor, the galleried landing echoes the feeling of space and light found throughout. Doors open to all of the rooms, where we initially find three double bedrooms, two of which take in the open field views. At the head of the landing, the family bathroom offers a superb space fitted with a bath, shower cubicle, wash basin and w/c. Completing the accommodation, the main bedroom enjoys a view over the rear gardens. Built-in wardrobes offer a storage solution and a feature fireplace offers a focal point to the room. A door opens to the en-suite shower room that serves the bedroom.

Outside

Approaching the property via Newgate, we arrive at the frontage of this attractive home. A block-paved drive offers ample parking to the front of the property, with additional hard standing set to the side. The garden is laid to lawn and framed with low lying beds, whilst a picket fence offers a subtle marking of the boundary. Access to both side leads to the rear. At the rear the garden enjoys the southerly aspect ideal for those who love the sun. From the kitchen and sitting room we step out on to the large patio, an extension to the home, in the summer months ideal for entertaining or simply relaxing. The garden itself is simply laid to lawn, which is fully enclosed by timber fencing. A gate leads out to Newgate, and a timber shed is set next to the concealed oil tank.
