Heathfield Gardens, W4

A beautifully presented four-bedroom semi-detached family house, approximately 2,200 sq.ft, retaining period features, with four bathrooms, a west-facing garden and off-street parking.

Set behind private gates, this well-presented four-bedroom semi-detached house has been thoughtfully renovated while retaining its original character. Arranged over three floors, the house offers generous living space, four bathrooms and off-street parking for two cars.

The ground floor centres around a double reception room, leading into an open-plan eat-in kitchen and dining room. A conservatory opens onto the large west-facing garden, which also has an outhouse. A utility room and cloakroom complete this floor.

Upstairs, four double bedrooms include a principal bedroom with dressing room and en suite bathroom with separate shower. Three further bedrooms each have en suite shower rooms, while a family bathroom with Jacuzzi provides additional space.

Heathfield Gardens is a quiet and desirable location, just 0.3 miles from Chiswick High Road. Chiswick Park and Gunnersbury stations are both 0.4 miles away, with excellent access to the A4 and M4.
