4 Handley Court,
New Whittington, Chesterfield S43 2HT
Guide Price £375,000 - £385,000

A truly exceptional four-bedroom, two-bathroom semi-detached barn-style home, enviably positioned well back from the road and approached via a private drive, forming part of an exclusive and secluded mews-style courtyard of just four properties.

Beautifully refurbished in recent years to a superb modern standard, this impressive family home is enhanced by a generous level south-facing rear garden, an internal garage and extensive private parking for multiple vehicles.

The programme of improvements has been carried out with exceptional care, preserving character features while introducing contemporary design, enhanced space and everyday practicality. Highlights include remodelling downstairs to create a stunning open-plan kitchen, dining and living space and a new utility room, as well as a new log burner, composite feature front door, upright radiators, replacement UPVC double-glazed windows and new internal doors throughout. Extending to over 1,600 sq ft, the accommodation is flexible, versatile and beautifully appointed.

Perfectly placed on the northern edge of Chesterfield, the property offers semi-rural living at its finest, with countryside and canal walks on the doorstep and a comprehensive range of amenities, cafes, parks and schooling in close by Chesterfield and Dronfield, with access to Sheffield, the Peak District and useful M1 transport links via Staveley a matter of minutes away.
