The property has undergone a comprehensive and thoughtful renovation, blending contemporary design with practical modern living.

A private driveway provides off street parking and sets the tone for the quality found within. Upon entry, a bright and welcoming hallway creates an immediate sense of space, complemented by a stylish ground floor cloakroom.

The ground floor has been carefully planned to balance comfort and sociable living. A separate front facing sitting room offers a calm retreat, while engineered herringbone flooring flows seamlessly throughout the level, adding warmth and continuity. To the rear, a stunning open-plan dining and family space forms the heart of the home, centred around a breakfast bar

seating area perfect for both everyday life and entertaining. This area leads naturally into the sleek, fully fitted kitchen, complete with integrated appliances and direct access to the level, secluded rear garden, creating an effortless connection between indoor and outdoor living.

To the first floor are three well proportioned bedrooms, each presented in a neutral and elegant palette, and all serviced by a contemporary family bathroom finished to a high standard.

The property has been designed with both style and longevity in mind and further benefits from a new central heating system, full rewire and double glazed windows, offering comfort, efficiency and peace of mind.

A skilfully executed rear extension enhances the sense of space and natural light throughout, while the home is offered to the market with the added advantage of no onward chain.

An exceptional turn-key home, ideal for first-time buyers, professional couples or downsizers, seeking a quietly positioned yet well connected village property finished to an exacting standard.

The Hawthorns is a small cul-de sac which is nestled between the charming Ewell village and the bustling Stoneleigh Broadway, ensuring convenient

access to an array of shops, amenities, excellent commuting facilities and a plethora of highly regarded schools.

The highly desirable Ewell Village has a rich background dating back to the Bronze age and at the end of the middle ages King Henry VIII established Nonsuch Palace (now Nonsuch Park) in 1538. The High Street offers a variety of shops, restaurants, cafés and pubs. Bourne Hall hosts a public library, subterranean theatre, gymnasium, café, and local museum. It regularly holds gatherings such as fayres and exhibitions.

In the heart of the village lies the picturesque Hogsmill river leading up to the nature reserve. There are a range of popular local schools and of course both Ewell East and West stations (zone 6) offer easy access to London with Waterloo and Victoria taking approximately 40 minutes.
