Outside

To the front, the property benefits from a paved driveway providing off-road parking for up to two vehicles, extending along the side of the house to offer convenient access to the rear garden. The attractive front garden is predominantly laid to lawn and complemented by well-stocked flower beds, mature planted borders, and outside lighting, creating an inviting first impression.

The private, south-westerly facing rear garden enjoys a high degree of seclusion and is a wonderful space to relax and entertain. Beautifully established, it features

a lawn, mature shrubs, planted borders, ferns, and a variety of trees, including a productive apple tree. There is also excellent potential to extend the existing paved area to create a larger patio, subject to individual requirements. Practical additions include a timber storage shed, an outside water tap, and external lighting.
