Heath Road, Potters Bar

PROJECT FOR MODERNISATION: A substantial family home with considerable potential in a highly sought-after location close to excellent schools and the station.
No Chain.

£900,000-£925,000

01992 87 85 80

Overall Description

This is a substantial detached house, set well back from the road in a good-sized plot, on one of the more sought after roads in Little Heath, popular with professional families because of its proximity to excellent local schools and the ease of commute into London from the station. The property is in need of complete modernisation, but has potential for extension and/or remodelling as others have in the vicinity, subject of course to the usual consents. As such, it offers buyers a rare opportunity to create their dream family home, to their exact needs and tastes, in an excellent location for bringing up young children and teenagers. Currently the property has four bedrooms and a bathroom upstairs, with an entrance hall, two receptions, kitchen, cloakroom and double garage on the ground floor. There is good-sized front garden with private driveway leading to the garage and a rear garden with large patio, central lawn and mature shrubs and trees for privacy. We are selling this lovely family home with no chain. If you are looking for a project in a great location, with obvious potential to create something special, then please call us to book a viewing.

Location

This house sits in a desirable residential area in what was the village of Little Heath and is now towards the edge of the popular commuter town of Potters Bar. The house is just a short walk from the High Street shops along Darkes Lane, one of the two main shopping streets in the town. Potters Bar has a very good range of local shops, supermarkets and other amenities and is also home to some very well regarded schools at all levels including Lochinver House Boys School (directly opposite), Mount Grace (a few minutes walk away) and a choice of schools a short drive away including Dame Alice Owen's School, Stormont School for Girls and Queenswood. It is very convenient for commuters, with Potters Bar mainline station having regular fast trains to Kings Cross and the M25 being just a five to ten minutes drive away. Being towards the edge of town, the house is close to beautiful Hertfordshire countryside, so ideal for active families who love walking and cycling.

Accommodation

From the driveway the glazed front door leads into the:

Entrance Hall 13'3 x 7'11 (4.04m x 2.41m)

Two frosted windows to front. Stairs to first floor. Under-stairs cupboard with alarm control panel. Radiator.
