ACCOMMODATION

A smart and recently decorated communal hallway leads via composite entrance door into the property, which benefits from the building's original Victorian central staircase at the heart of its plan, providing a wonderful sense of space and grandeur. The generous hallway with feature tessellated tiled flooring has doors radiating to the sitting room and study/bedroom 4, both of which enjoy wonderfully high ceilings with original cornicing, high quality solid wooden flooring and timber framed double glazed sash windows with feature plantation shutters.

To the opposite side of the hallway is the kitchen/breakfast room, recently redesigned with statement 'glass box' extension by Nest Design and Build. This breathtaking space has been thoughtfully created for modern living and entertaining, offering exceptional natural light and a seamless indoor/outdoor flow to the landscaped rear garden, along with underfloor heating throughout. The kitchen itself is well equipped with a vast array of slab fronted units and granite working surfaces, incorporating large central island unit with inbuilt breakfast bar area, as well as ample space for dining and relaxed seating within the extension.

Completing the ground floor accommodation is a large double bedroom with high ceilings and cornicing and enjoying a lovely leafy outlook over the rear garden, as well as a generous shower room fitted with contemporary suite by Ripples and handy cloakroom/wc with large storage cupboard for coats and shoes. Staircase ascends to another wonderful and private double bedroom with smartly fitted en-suite shower room, as well as a useful linen cupboard.

The lower ground floor is a true delight, having been extensively reconfigured and renovated to the highest of standards by our vendor clients. At the rear is the principal bedroom suite overlooking private courtyard, with spacious dressing area fitted with an array of bespoke storage, as well as a luxurious en-suite shower room with dual sinks and walk in shower.

Also on this level is a versatile cinema/family room with feature 'Crittall' style doors leading to games room/bar, having herringbone solid wood flooring, providing a flexible space ideal for socialising.

The rear garden is a wonderfully private oasis, expertly landscaped to provide multiple seating and entertaining areas positioned to enjoy sunlight throughout the day, including a pergola-covered terrace ideal for evening dining. The garden combines lawned, planted and paved sections, together with a useful garden shed and side access for bicycles and garden equipment.

At the front of the property is dedicated off-street parking for several vehicles as well as electric vehicle charging point.

This is a once in a generation opportunity to acquire undoubtedly one of the city's finest apartments, suitable for families and downsizers alike, and an early viewing is unhesitatingly recommended.
